Federal Communications Commission
Washington, D.C. 20554

In the Matter of)

Amendment of Section 73.202(b),)
Table of Allotments,)
FM Broadcast Stations.)
(Lake City and Chattanooga, Tennessee))

MB Docket No. 03-120
RM-10591

COMMENTS IN SUPPORT OF
NOTICE OF PROPOSED RULE MAKING

T0: Chief, Audio Division, Media Bureau

1. The Audio Division released a Notice of Proposed Rule Making on May 20, 2003 to allocate Channel 244A to Lake City, Tennessee, as that community's first audio service. To accommodate this proposal, Station WDOD-FM, Channel 243C, Chattanooga, Tennessee would have its operation reclassified to Channel 243C0. WDOD of Chattanooga, Inc., the licensee of WDOD-FM, has stated by letter dated November 26, 2002, that it does not intend to seek authority to modify WDOD-FM's technical facilities to minimum Class C standards. It has been previously demonstrated that this proposal meets all technical requirements and that Lake City, Tennessee is a community for allotment purposes.
2. I, Lewis F. Cosby, III support the proposed amendments to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules:

<u>City</u>	<u>Present</u>	<u>Proposed</u>
Chattanooga, Tennessee	222C, 243C, 293C	222C, 243C0, 293C
Lake City, Tennessee	---	244A

3. I, Lewis F. Cosby, III intend to apply for the channel if it is allocated and, if authorized build the station promptly.

Respectfully submitted,

Lewis F. Cosby, III
